## **DETAILED ACTION**

### ***Election/Restrictions***

1. This application contains claim 41 is drawn to an invention nonelected with traverse in Paper No.10. A complete reply to the final rejection must include cancelation of nonelected claims or other appropriate action (37 CFR 1.144) See MPEP § 821.01.

## **THE FOLLOWING IS A NEW GROUND OF REJECTION NECESSITATED BY THE AMENDMENT**

### ***Claim Rejections - 35 USC § 112***

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-40 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

A) In claim 1 the phrase "completely or partially complementary to each other" conflicts with the limitation that the population contains both homologous and heterologous sequence segments and renders claims 1-40 indefinite. Moreover, it is unclear as to the phrase "each other" refers to. Clarification is requested.

### SUMMARY

3. Concerning claims 1-40 there is no prior art that teach or suggest a method of providing double stranded polynucleotide with different heterologous sequence segments, partially and exonucleotically degrading the single strands and template directed single strand synthesizing the degraded ends of the partially degraded double strand produced.

### CONCLUSION

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
